# Be Part of The Team

C.A.T.S. is a sports league for children with special needs designed to improve the quality of life through team sports participation.

Through weekly engagement in games; players will gain confidence, social skills, gross motor skills, behavior skills, and the opportunity to be part of community-based settings. The goal of C.A.T.S. is for children who would otherwise not be able to participate in team sports programs to have the opportunity of experiencing all of the same activities, memories, values, and friendships created through sports.
